## Rental Agreement and Terms

### Client Understands

1. Accessibility for the photo booth requires that there are no stairs or obstacles that will make setup and delivery unachievable. It is the responsibility of the client to notify Say Cheese of any such obstacles, so that Say Cheese may determine if delivery and set is achievable. In the event that the client, and/or a third party willing to represent the client wishes to help in the delivery and/or setup of a photo booth, Say Cheese is not responsible for any injuries resulting from such action.
2. A 120v electrical outlet will be available or made available.
3. The client will ensure that an appropriate size table is provided to Say Cheese by the venue at which the event is held.
4. Client will be responsible for any malicious damage done to the photo booth by any of the clients and/or their guests. Such damage shall be determined by attendant and constitutes the following: damage or malfunction of equipment including camera, printer, CPU, and any wires housed inside the photo booth, damage to casters and/or wheels, permanent, indented scratches and/or gouges not otherwise removable by chemical means to video screen, camera lens cover, white backdrop, and general seating area including sidewalls. The aforementioned also applies to exterior of booth.
5. Client indemnifies Say Cheese from any injuries incurred due to the client's carelessness or misuse of the provided equipment.
6. Say Cheese may use photo strip examples and or photos from the event for marketing purposes.

### Say Cheese Obligations

1. Provide a photo booth that does not require money to operate and to provide enough film and supplies to last for the duration of the agreed upon time.
2. Provide a qualified technician at the event to maintain the photo booth in operating condition.
3. Install and remove the photo booth at the agreed upon time. In some circumstances, Say Cheese may need to pick up the photo booth(s) at a later date. If so, a time will be agreed upon between the client and/or the venue location's management.

### Other

1. Client and Say Cheese agree that in the unlikely event of a mechanical failure, the maximum liability assumed by Say Cheese is the return of any payments received. If only partial services can be performed due to conditions beyond Say Cheese's reasonable control, then all charges shall be pro rated. Such charges shall be determined by Say Cheese.
2. A deposit is required to secure the specified rental date chosen by the client. The remaining balance due is payable 7 calendar days prior to the event. The deposit is non refundable yet transferable contingent upon Say Cheese having availability of a photo booth on the specified rental date.
